

ABX-5 Retainer

Ø 11mm ABX-5 interface

Part-no.: C252 H35 X1X E2

- Retainer without shorting clip (to be mounted into the Ø11mm igniter)
- Extensions to prevent rotation in igniter
- Mechanical codings available
- Different colours available

Performance characteristics:

- pull out force: > 20N
- temperature range: -40°C to +90°C
- dielectric resistance: 1000V / DC

Construction:

- housing material: PA66-GF30

Connector interface:

- ABX-5
- Code W(Pink)
X (Purple)
Y (Grey)
Z (Green)

Dimensional characteristics:

Generator interface:

- Ø11mm VDA-AK Type K, L
- Ø11mm ISO 19072
- Ø11mm USCAR
